

HMGS MW 2023 Election Results

After a month of voting the ballots are officially closed. We appreciate everyone who took the time to engage with the organization and cast their vote for the Board of Directors. We had a total of 82 votes this year which was a 10% increase compared to last year and the highest we have had for our elections.

All current board members have been reelected to their positions and will continue serving the organization for the next two years.
